This tool can successfully remove all of them. It is safe, 100% security and free of charge. But I also need to warn you that by running the tool, you should do it only on a test device and a non-system partition. So it does not change the data on your system partition. And you should also run it as an administrator. Easy Cleaner 2012.1.9.7 Windows Portable Easy Cleaner 2012.1.9.7 Windows Portable | Free download.
